Expires: May 1, 1994

MAILING ADDRESS: 2 Eastern Road
Acton, MA 01720

FEE: \$150.00 pd

Pursuant to the authority of Chapter I - Hazardous Materials Control Bylaw of the Town of Acton's General Bylaws the Board of Health has considered your application and plans submitted therewith, and has determined that the materials to be stored within the scope of the said Bylaw. The Board of Health hereby orders that the following conditions are necessary and all storage must be performed in strict conformance herewith:

CONDITIONS:

1. Oil and waste must be removed by a qualified disposal service.
2. A yearly inspection of the underground storage tank must be done with a report to the Board of Health.
3. All M.S.D.'s must be made available for inspection by all workers.
4. Sufficient bags of cleanup material (i.e. speedy dry) must be available in the event of a spill of hazardous materials.
5. The containment buffer surrounding the drum be capable of holding 150 gallons.
6. The underground storage tank must be inspected once per year.
7. The underground storage tank must be at least 500 gallon capacity.

FROM: Acton Board of Health
RE: Hazardous Materials Control Permit

Please find attached a list of Town of Acton Hazardous Materials Permit renewal fees. The fees are based upon the amount of materials a facility within the Town generates or stores. The annual renewal of the permit will become effective on May 1, 1993 and will expire on May 1, 1994.

Please submit \$150.00 to this office within thirty (30) days of your receipt of this notice. Failure to submit this requested fee within the time allotted may result in fines being issued against your company in the form of non-criminal disposition tickets. If you no longer generate or store hazardous materials within the Town of Acton you must notify this office.

Thank you for your anticipated cooperation.
